

PE & Sport Action Plan 2017-18

Objectives	Specific actions	Timescales	Desired outcome	Monitoring arrangements (who, how, what, when)	Resources and training needs
Overall aim for PE: To engage at least 80% of children in KS1 and KS2 in competitions and activities outside of the PE lesson to develop an enjoyment and continued enthusiasm for PE.					
To improve uptake of after school clubs by pupil premium children	To offer a free after club each term for all children. To target pupil premium children. To employ a wide range of sports to cater for different interests.	Each term	90% of pupil premium children engage in one group a year running for a term.	Monitor uptake of clubs using the vulnerable groups list	Sports premium funding for after school clubs
For 90% of KS2 to engage in competitions.	Use Sport Impact competitions to improve our participation in competitions. Host b and c team football comp. Arrange football matches for Year 5/6 and 3/4 regularly.	Ongoing	At least 90% of all children in KS2 attend and engage in competitions at least once.	TAs and Teachers take responsibility for the events they are assigned. HK to complete risk assessments and event letters.	AB to be paid back hours for taking children. To use TAs and Teachers throughout the year to attend different events.
Clear assessment framework for PE throughout the school	Assessments are regular and cover the breadth of the curriculum. *Gymnastics Dance Real PE (Fundamental movement skills) Games (invasion, net & wall, striking & fielding) Athletics Swimming Outdoors Adventure* They use the new curriculum objectives, and are divided into emerging, expected and exceeding for each year group.	By Dec 17	Each year group knows exactly where their children are working in relation to age related expectations. Teachers and SLT can track progress both throughout the year and as children move through the school. Gifted and talented children are identified and tracked.	HK to develop an assessment system. HK to monitor progress.	Possible costs to buy scheme of work.

	They are easy and quick to use and evaluate.				
Government initiative For all primary school aged children to aim for 60 mins per day of physical activity	Children from Reception to year 6 participate in 60 mins of activity throughout the day. Lunch time clubs are available for all, but frequently inactive children need to be targeted. 15 min daily mile for every class every day. Active travel to school plan. 2 hours of PE across the week.	Start daily mile from Oct 17	Children engage in at least 3 lunch time clubs and active breaks during the week in addition to their PE lessons and daily mile.	All teachers to ensure the daily mile happens daily for 15 mins. HK to hold INSET to go through daily mile benefits.	None
To use active breaks during lesson times to regain focus, improve posture at tables, and offer short breaks from mentally challenging work.	Teachers find appropriate times throughout the day to implement three strategies. To use the Bolt, run, Mo technique to stimulate brains and regain focus. To use yoga breathing techniques to offer mental breaks and stimulate brains. To use bob sled technique to improve posture at tables.	Dec 17	All teachers use each technique at least once per day.	HK to monitor	None
To target children with fine motor development delay.	To offer target children a box of strengthening equipment, activities and pencil grips, special scissors, etc. Children are given opportunities throughout the day to use their tools and techniques. Assessment at the beginning and then again in Feb to assess progress. To improve handwriting, presentation and strength in their hands.	Jan 18	The 40 children targeted across the school will improve letter formation, handwriting techniques and scissor skills.	HK to purchase	Sports premium budget
