

## Atlantic Timetable

Day	Subject
Monday	Main stream PE integration
Tuesday	
Wednesday	SaLT in school
Thursday	Main stream PE integration
Friday	

### Reading at Home

Please try to listen to your child read every day. Use the Reading Record to keep a record of the book and pages read. If you are unable to hear your child read, encourage them to read independently and get them to write the details into their Reading Record. These need to be brought into school every day.

### Homework

We do not send set homework in Atlantic class, please work on your child's IEP targets, especially social skills and turn taking.

ST RICHARD'S  
SCHOOL

# Curriculum Overview Autumn 1 Term 2018 Atlantic class

Paws, claws  
whiskers!

## English

This half term we will be reading One day on our Blue planet...in the Savannah

Children will be writing descriptions of characters and settings focussing on grammar, punctuation and vocabulary choice.

## Mathematics

This half term we will be covering the following areas of Maths:

- Numbers and place value.
- Counting in 2s, 5s and 10s backwards and forwards up to 20 and beyond.
- Addition and subtraction.
- Identify one more and one less than any given number.
- Read and write numerals to 10.

## Art and DT

Children will draw animal's shape and outline capturing recognisable features such as ears, tails, teeth, paws.

## Computing

Children will use computers and other technology to find images of a range of zoo animals.

## Music

Children will learn to make sounds in different ways, including hitting, blowing and shaking as well as to use percussion and voices to create animal sounds that grow louder and softer.

# Paws, claws whiskers!

## RE

This term, children will be learning all about the value of Kindness, Diwali and the Christmas story

## History/Geography

This term our focus will be geography. We will talk about what is a map and how to use them. As well as continent and countries and how to locate them on maps and globes.

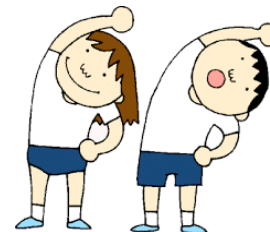

## ASD

This term we will be developing our social and language and turn taking skills, sharing and focus and attention. As well as weekly work on our individual targets from our EHCPs.

## PE

The PE coach will teach different sports and Ms Cooke will focus on our OT targets from our EHCPs.

## Science

We will learn about animals and their characteristics., their habitats and what they eat.
