

Year 5 Timetable	
Day	Subject
Monday	
Tuesday	
Wednesday	Homework due in.
Thursday	PE with Mr Tavey
Friday	PE with Coach. Homework Out.

Reading at Home

Please try to listen to your child read every day. Use the Reading Record to keep a record of the book and pages read. If you are unable to hear your child read, encourage them to read independently and get them to write the details into their Reading Record. These need to be brought into school every day.

Homework

Homework is given out on a Friday and needs to be handed in the following Wednesday. Homework consists of a Maths activity, spellings and a written task. It should be completed in the yellow homework book and presented to a high standard.

**ST RICHARD'S
SCHOOL**

Curriculum Overview Autumn Term 1 2018 Year 4/5

English

This term we are reading C.S. Lewis's 'The Lion, The Witch and The Wardrobe'. We will be enjoying the fantasy world of Narnia for the first half term of the year. Check out our reading corner to see our portal to a new world! We will explore all different genres of writing such as story writing, reports, instructions, recount and diary entries.

RE

We will be looking at questions such as 'What is the Liturgy?' and 'Why is it important to so many Christians?'

PSHE

We will continue to follow the R Time programme and explore the themes of co-operations and teamwork.

Mathematics

This half term we will be covering the following areas of Maths:

- Roman Numerals
- Regular times table revision
- Place Value
- Addition and Subtraction
- Short and long division

History

Throughout the topic the children will develop skills of recording historical information concerning the history of The Romans and their impact on Britain.

I am Warrior!

Science

We will focus on the topic of Sound. How do we make noise? What is the difference between pitch and volume? How did The Romans make music?

Music

We will improvise some music to accompany our march from Rome on our way to conquer Britain.

Computing

The children will partake in a 6 week programme to create an awesome coding project.

PE

The coaches will continue to develop the children's teamwork skills as well as other tactics and skills which are needed to partake at various levels of sport and dance
