**Our Early Years Foundation Stage boasts experienced Teachers and Early Years Practitioners. We are excited to be offering 15 and 30 hour provision to children from the September after their 3<sup>rd</sup> birthday. We hope to begin offering the same provision to rising 3's in the near future. Please complete an application form and we will notify any applicants about any changes to our admissions criteria.**

**15 hour Nursery children are invited to stay for the lunch hour for just £2 a day (11.50am-1pm).**

Our experienced, highly qualified and caring staff bring a passion and energy into teaching every child- providing a happy and safe environment that inspires lifelong learning.

Our belief is that all children are unique, with a huge variety of skills, interests and abilities. We develop this love of learning through a balance of adult-led activities and independent play-based learning. We provide a strong provision which encourages children to communicate with one another, develop social skills and use their imagination. Through the carefully thought out role play areas, creative stations and home corners, children learn how to read, write and solve number problems whilst playing and engaging with real resources and first-hand experiences. We have a beautifully well-resourced outdoor area which is used throughout the day.

As a school, our progress and end of Key stage results are above National standards. We believe that at St Richard's school we are a family and we encourage parents and carers to play a big part in their children's education - in fact, we think it's essential in developing confident young people.

Our Christian ethos means that every child knows they are welcome, cared for and valued regardless of their beliefs.

**Application forms available in the School office**
