

Pacific class Timetable	
Day	Subject
Monday	
Tuesday	Pacific class PE
Wednesday	
Thursday	
Friday	Inclusion PE with year 5 and 6 New homework set

Reading at home

Please try to listen to your child read every day. Use the Reading Record to keep a record of the book and pages read. If you are unable to hear your child read, encourage them to read independently and get them to write the details into their Reading Record. These need to be brought into school every day.

Homework

Homework is given out on a Friday. Homework consists of a Maths activity, spellings and reading. Please also use the given phonics packs and multiplication support to regularly revise and practice phonics and maths multiplication facts.

Curriculum Overview Autumn 2 2019 Pacific class

The Tudors

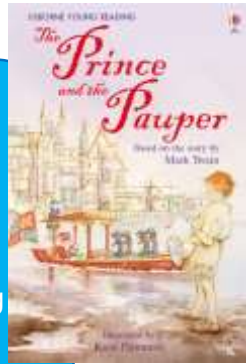

English

This half term we will be reading 'The prince and the pauper'

We will be learning to apply and consolidate the following skills:

- Writing good sentences
- Using correct punctuation
- Using imaginative adjectives
- Using connectives/conjunctions
- Using verbs and adverbs
- Using words with contracted forms.

Mathematics

This half term we will be covering the following areas of Maths

- Number and place value
- Addition and subtraction
- Multiplication and division

Topic

Our topic for this half term is the Tudors. We will be learning about the Tudor royal family. We will be exploring facts about Henry VIII and his life. We will also be examining Tudor lifestyles and houses.

The Tudors

Science

In science, we will be learning all about Light. We will be investigating and exploring how we see light, shadows, reflection and refraction. We will be learning about how light travels and how this enables us to see objects in front of us.

Art/DT

We will be using a range of resources to create Tudor houses and recreate royal portraits.

RE

This half term we will be learning about Wisdom and how different religions look to religious texts. We will also be learning about the story of Christmas and its importance to the Christian faith.

ASD and Speech and Language

We will be working on developing the children's attention and concentration, social skills and speech.

We will also continue using 'Zones of regulation' and 'Volcano in my tummy' programmes. These programmes are designed to help children to identify and regulate different emotions.

Computing

We will be joining year 5 and year 6 for integration lessons in computing. These will be taught every Friday afternoon by Mrs Knock.

PE

We will continue to take part in an inclusion session of PE with main school classes once a week, this will be taught by onsite coaches. We will join year 5 and 6 every Friday afternoon. We will also have a class PE session which will be taught by Mrs Sangha. This half term we will be playing Boccia and volleyball in class PE.
