Reading at Home

Please try to listen to your child read every day. Use the Reading Record to keep a record of the book and pages read. If you are unable to hear your child read, encourage them to read independently and get them to write the details into their Reading Record. These need to be brought into school every day.

<http://www.bbc.co.uk/cbeebies> Alphablocks games and programs are great for showing the children how the letters sound.

ST RICHARD'S
SCHOOL

Curriculum Overview Autumn 2 2019 Reception

Can I switch it on?
and
Christmas

Communication and language

We will be engaging children in role play areas throughout our indoor and outdoor provision to encourage communication with others. These will include a Post office, builders yard, wrapping station, pizza restaurant and fire station.

Mathematics

This half term we will be covering the following areas of Maths:

- Number bonds to 10/ 20
- Partitioning and working with teen numbers.
- Counting to 30 and beyond.
- Counting in 2s, 5s and 10s
- Ordering numbers to 20.

Physical Development

Reception will be looking at different ways to balance during our Real PE sessions and will be learning dance routines and how to dance to the beat of the music. We are also learning how to follow instructions and play games in teams.

Expressive Art and Design

Children will be making Christmas art work including, door hangers, Christmas cards, wrapping paper, gift tags. We will also be making robots and ask for cardboard junk modelling please.

RE

Why is Christmas special for Christians?
Learning all about the story of Christmas and performing this to parents in our Nativity.

What's that sound?

Can I switch it on?

English

The children will be writing for a range of purposes:

- Invitations to our performance of songs they have learnt.
- Postcards from our listening walk
- Instructions to make instruments
- Sound maps
- Retelling stories
- Thank you cards
- Mothers day cards
- Easter cards

We will also be continuing to introduce new stories and use them during our shared read in class. We will be reading the Gruffalo and Gruffalo's child.

PSED

The class will be learning about how to do things that are kind to others and kind to our world. We will be using 'How to fill a bucket' for our reflection focus.

Understanding of the world

The class will be learning about technology and how we use it. Children will be using different forms of technology to take photos, videos and record their voices. We will be visiting the post box and post office and learning about the technology used in our office and the post office.
