## Vision Statement

Our schools aspire to provide 'excellence and equity in a Christian context', where every child is valued as a unique individual treasured by a loving God. 'I have inscribed you on the palms of my hands.' Isaiah 49.v16.

Our aim is that every child will have the opportunity to flourish and develop into a rounded adult who can live life to the full. 'I have come that they may have life and may have it in all its fullness'. John 10.v10.

Our schools are places where all are welcome and where we practise kindness and hospitality on a daily basis.

Our vision and our values are clearly displayed and while it is not a requirement that a child and their family have to be practising Christians we do expect all parts of the community, children, staff, parents and carers to support the values that we hold dear.

In our school, we demonstrate how we support this vision through our values, which are Friendship, Endurance, Trust and Hope and summarised in the school's own vision statement: Inspiring belief in God and in one another.

The vision of St Richard's CE Primary School is for a thriving and outstanding school where children and adults, working with the local community, have the opportunity to become the best they can be.

Inspiring belief...

- in ourselves – through progression and fulfilment
  - in each other – through motivation and teamwork
  - in the children – through showing them their potential
  - in the parents – through building trust by results
  - in God to all – through our whole lives
- 
- We believe in looking out for everyone  
We put safety first and we do all we can to ensure that all needs are met.
  - We believe in working together  
We act like a family who support and motivate one another.
  - We believe in aiming for the best  
We do all we can to ensure the highest quality in every area – our children deserve nothing less.
  - We believe in looking to the future  
We are positive and seek opportunities to grow and improve, overcoming obstacles to achieve our goals.

We live out our values and vision through our key policies e.g. The LAT Behaviour policy is supported through the values described in the rewards and sanctions section of the policy demonstrating the importance of dignity and forgiveness.

The school admissions policy decided by the Local Academy Committee shows our inclusivity and the importance we place on service to our local community.

The breadth of the curriculum and the creative projects which we enjoy are key to providing opportunities for children to experience life in 'all its fullness', so that alongside learning and wisdom they also experience joy and delight in learning.

Care for the individual and their needs is crucial and the school's policies regarding inclusion and SEND are constant reminders that each of us is known to God and our names are 'inscribed on the palms of His hands'.

LAT HR policies are common in all schools and are created to ensure that individuals are treated fairly and with dignity. All HR policies have been scrutinised by the various unions to ensure that they contain acceptable procedures.
